

Petie Kirchman Wins Drag Trophy

There were many Belle Gladiators at the State Championship Drag held at Ft. Myers over the Labor Day Weekend, but only one managed to take top honors.

Petie Kirchman of Belle Glade won a trophy for the best elapsed time and best speed for super stock class, both were track records. Kirchman's e. t. was 14.70 seconds with a speed of 96 m. p. h. for a quarter mile. He did not return Monday for the eliminations. Don Gist, Lake Worth, scored

ed the first drag racing grand slam in Florida National Hot Rod Association annals, by sweep four straight classes Monday in the sports division of the annual state championships. In the process he set a record of 109.230 m. p. h. for the quarter mile distance.

Others entered from Belle Glade were Jet Morgan, running super stock auto, Billy Lee running B stock, Jerry McKee A Stock, Frank Miller, C Stock and Jerry Frier who just missed the B stock trophy.

Billy Abel of Belle Glade acted as mechanic for the local rods. The drags at Ft. Myers were sponsored by the Ft. Myers Quarter Milers.

Our First Vacation

By George and Edwina Young
(Editors Note: The Youngs in the following story give an interesting account of their first vacation with children, Jane and Chappy also their first camping trip.)

It is rather difficult to realize that Jane will be in College next year and that Chappy is entering Junior High this year. Reaching this and wanting to take a vacation for ourselves and children, we purchased a Nimrod Camping trailer and headed North. As a family, we had never camped out before and really didn't know what to expect.

We had set Tuesday the 4th to leave Belle Glade and although we did not get away until 5 p. m., we started out with no target for the night, but knowing that finding a camping place was not a problem in Florida. A hundred miles North at Kenansville, we camped on a beautiful little lake. Jane and Chappy proved to be real campers and assumed a lot of responsibility. It was Jane's job to keep lined up with camping sites from the abundance of material that they had obtained from our 15 state park departments. Our second night's target was Laura S. Walker State Park at Folkston, Georgia, near Okfeke Swamp. By noon on Thursday, we had camped eight times in the Swamp and headed for Hendersonville, N. C.

Outside of Hendersonville, we spent the night on top of Sugar Loaf Mountain in the yard of E. M. Van Landingham. I think this is the most beautiful spot in North Carolina but it is located 17 miles from the highway and is on the very top of the mountain. Van Landingham has a beautiful summer home there with a picture window looking out over the smaller mountains and valleys.

From here we followed the skyline highway into Virginia, until the parkway ran out. We camped at Harpers ferry, visited Gettysburg and took in the Battlefield. At Scranton, I visited West Mountain Sanitarium, where I had been a patient for eighteen months about 27 years ago.

We camped on Lake Marion near Hamilton, N. Y. a beautiful small lake where American Management Association owns most of the shore and has beautiful facilities. Here Chappy finally got to sail. Having cheated him out of a sail boat ride in Nassau a few years ago he had never let me forget that I was to take him sailing.

While I was attending College, the family did sightseeing and visiting, and then went on to Niagara Falls and Ontario Province. I joined them again in Buffalo and we spent the night in their camp near Niagara. From there we visited the Letchworth State Park, the Grand Canyon of the East, Gorge Glass Works, on through the Catskill Mts. and camped in the yard of good friends, the Donald Coon family near Hudson, N. Y. We then went to Pittsfield, Mass., and down the Hudson, saw the Vanderbilt estate, FDR's home and stopped at the home of Harriet White Robertson and her charming family. From there we drove into New York City, saw Empire State Building, Radio City, United Nations Building went on guided tour

through RCA buildings, the stock exchange on Wall St. At night we rode down Broadway, Fifth Ave., saw Rockefeller Center, the Bowery, Chinatown and Greenwich Village.

At Washington, D. C., we camped within half mile of Washington's Monument, visited Paul Rogers, went to luncheon at Congressional dining room and toured capital buildings. Made a tour through FBI building, visited the White House, Washington's monument and toured the city. Chappy got a shot of the president returning by helicopter, landing on the South lawn of the White House.

From Washington we went to Williamsburg, Va., visited the reconstructed Colonial Village, saw the governor's mansion and other interesting sights. I had to be home for the sale on Monday so left the family at Fayetteville, N. C., and took plane to Miami.

(Edwina writes) I still having two weeks vacation decided with the children to turn westward and to the mountains we tried ourselves. We set out for Blue Ridge on Black Mountains where my sister had recently visited. My niece and nephew had remained and we set up camp in a nearby trailer park and stayed for a week. The highlight of the week, besides resting, the beautiful mountain view and cool evenings was the craftsman's show at Asheville. There we saw the mountain craftsmen ply their trades, shingle making, weaving by loom, pottery making, gem cutting, ceramic making, rug weaving, wood carving and so on. We also visited the Biltmore Industries were mountain crafts were on display for sale. We took tour seeing wool from the sheep's back, cashmere and camel's hair washed dyed combed and spun or woven.

From there we left and camped at Kings Mountain, S. C. and visited the Museum of Revolutionary fame, visited battle sites and drove leisurely into Florida, and visited two days with my sister at Gainesville, before coming home to Belle Glade.

We had a wonderful vacation and are looking forward to camping out on weekends at state parks next year.

Two Paintings Given To Library

The Belle Glade Library has received two lovely gifts from Mr. and Mrs. Clarence Tilton of this city. The two 24" x 18" reproductions in color of famous paintings framed in 2" white and gold carved wood add an inspiration of the art to the surroundings. One is "Pinkie" by Sir Thomas Lawrence (1769-1830) and the other is "Blue Boy" by Thomas Gainsborough (1727-1788).

The Tiltons also presented an interesting collection of mounted identified sea shells found on the beaches.

Other gifts received by the library recently were two step stools, one from the Business and Professional Women's Club, the other from Beta Sigma Phi Sorority and \$25 for juvenile books from the Jaycees.

The library board extends its thanks and appreciation for these attractive, needed and useful additions to the library.

Fla Cattlemen Meet At Silver Springs

This Marion County tourist attraction will play host to Florida's oldest industry when the Florida Cattlemen's Association holds its annual convention here October 27-29.

The Indians who, of course, first discovered Silver Springs also domesticated the cattle lost to the Spanish explorers, beginning with Juan Ponce de Leon. Dry lake bottoms in the Ocala-Gransville area were the "origins" of today's 2.5 million

acres of improved pastures, and the blood of the old Spanish cows, though much diluted, still flows in the veins of most of the two million head of beef cattle which make this state 12th in the nation in beef cattle numbers.

Headline speakers will include: Dr. J. Wayne Reitz, president of the University of Florida, and Bill McMillan, executive secretary of the American National Cattlemen's Association. All candidates for Commissioner of Agriculture are also being invited to speak briefly, with Farris Bryant, Ocala's gubernatorial hopeful, as master of ceremonies for that portion of the program.

Committee chairmen include the well-known Thoroughbred Horse Breeder and Cattlemen, Carl Rose, who is planning a tour for cattlemen wishing to see Thoroughbred training farms, Norris Cattle Company's Feedlots and registered Brahman, and Swift and Company's modern packing plant.

Mrs. Dexter Gives Sorority Program

"Windows of the Soul" was the title of the program presented at the first meeting of the section of Beta Xi Gamma Chapter of Beta Sigma Phi, by Mrs. Vernon Dexter. She illustrated some of the program with examples of art and gave the reasons behind each major change of creation. The hostess for the meeting was Mrs. J. E. Williams and cohostess was Mrs. George A. Pierce.

Mrs. Milton Carpenter was appointed to fill the unexpected term of vice-president, held by Mrs. Wm. A. Wooten who resigned the post and was granted a six month leave of absence. Mrs. R. A. White was granted a two month's leave of absence and Mrs. Claude Jones' request for a membership at large status was read.

A letter was read from the Chapter of Commerce lauding the chapter for its interest in the community and referred to the suggestion of the group for a United Fund for the city. Letters were also read from the Girl Scouts and public library expressing their thanks for contributions. A budget for the year was approved.

Mrs. Louis Kirchman was named chairman of the social committee, replacing Mrs. Jones. Mrs. Harold Zumpf as ways and means chairman, replacing Mrs. Lovell and Mrs. Thomas Chappell was named to the special committee. Mrs. Zumpf announced a rummage sale slated on November 21. Tentative plans for the annual fall and spring dances were discussed.

Others attending were Mrs. Grant Averill, Mrs. Frank C. C. Anderson, Mrs. E. M. Ayres, Mrs. Milton Carpenter, Mrs. Thomas Chappell, Mrs. Lorenzo Cornell, Mrs. Rodney Cornell, Mrs. F. W. Cross, Jr., Mrs. Louis Kirchman, Mrs. Earl Lindrose, Mrs. Rosa A. Nash, Mrs. C. L. Todd and Mrs. Harold Zumpf.

Corn Growers Prove "It Pays To Advertise"

For the second year in a row, Florida sweet corn growers staged a national consumer promotion campaign for their product and were even more successful this year than last.

The 1958 campaign garnered 9,249 inches of publicity and tie-in advertising space, with an estimated value of \$130,000. This year - much to the delight of the State's corn growers and shippers - the national corn promotional effort scored 27,867 inches of space, worth some \$300,000.

The growers, assessing themselves for a promotional budget of \$75,000, utilized the advertising merchandising and promotional services of the Florida Fruit and Vegetable Association and the United Fresh Fruit and Vegetable Association. Then - with advertising handled by Both Advertising Agency, Orlando - the growers enlisted the cooperation of available government

Cong. Paul Rogers Loses Robinson

Congressman Paul G. Rogers of the Sixth District of Florida today announced the resignation of Eugene A. Robinson, his West Palm Beach assistant.

Mr. Robinson informed the Congressman that requirements of his private business were now such that he could not devote sufficient time to assisting Mr. Rogers in Florida, and also give proper attention to his own business.

Congressman Rogers said that Mr. Robinson has been of considerable help to him in the execution of Congressional duties and it was with a feeling of deep regret that he accepted his resignation.

Mr. Rogers said that he wished Mr. Robinson continued success in private business and expressed his sincere thanks for his help and assistance over the past years.

Robinson said that "To have had the opportunity to serve with Congressman Rogers has been a fulfilling and gratifying experience," and that he regretted his personal business required him to resign from the Congressman's staff.

Congressman Rogers will open an office in the Harvey Building in West Palm Beach soon after the adjournment of Congress this year as in the past.

services and launched a campaign which covered 45 states. Sweet corn recipes, tie-ins with complementary foods, publicity pictures of Miss Florida, the serving of Florida sweet corn to U. S. Congressmen, and other influential groups - these and many other features, were used to augment this successful promotional campaign.

Commission Will Study Operation Of Agencies

Activation of a 10-man committee to make an intensive study of the operation of state agencies has been announced by Chm. Tom Adams to the legislative council.

The committee will be known as the governmental organization committee. It will evaluate the relationship between agencies in an effort to point out overlapping of functions.

Rep. William V. Chappell, Jr. of Marion County will serve as chairman of the group. Other members are Reps. C. Smith, Doyle Conner, Mallory Horne and George Edmundson, and Sens. Fred O. Dickinson, H. H. Hair, John Rawls, Adams and Sen. President Dewey M. Johnson.

Warsaw Poland To Hear Atomic Energy Used On Screwworm Eradication

The phenomenal progress being achieved by the current program to wipe out screwworms in Florida and the South east will be described to a world wide gathering of scientist meeting this month for the first time behind the Iron Curtain.

Member of a 12-man official delegation of the U. S. Atomic Energy Commission, representing the Oakridge National Laboratory, scheduled to attend a one-week meeting on Peaceful Uses of Atomic Energy at Warsaw, Poland, will be Dr. R. C. Bushland, consultant to the State-Federal Screwworm Eradication Program here the head of USDA's entomology research livestock insect laboratory at Kerrville, Texas.

Dr. Bushland will read a paper he has prepared on "Insect Eradication Through Release of Sterilized Males," in which the Florida program will be stressed as the first large-scale project in the world using that technique and giving every indication of unequalled success.

The Florida project uses the gamma rays emitted by radioactive Cobalt-60 to sterilize millions of mass-reared screwworm flies which are then dispersed by planes over thousands of square miles in Florida and parts of Georgia and Alabama. Mating of the sterile males with native females reduces reproduction of the native flies until finally they are completely eliminated.

The Warsaw meeting, sponsored by the United Nations organization, will be attended by scientists from all parts of the world, including many from countries behind the Iron Curtain.

Because he also will be representing USDA's Agricultural Research Service, Dr. Bushland will visit several other European countries following the Warsaw meeting. In Rome, Italy, he will talk at the Food and Agriculture Conference of United Nations countries and at Geneva, Switzerland, he will attend the UN-sponsored World Health Conference.

Man does not live by bread alone, but by faith, by admiration, by sympathy.

Growing Annuals Topic Of Club

The Garden Study Club held their first meeting of the season Friday a. m. at the spacious home of Mrs. George Wedgworth.

Mrs. Lloyd Strayer, new president, had charge of the meeting, introducing and welcoming two guests, Mrs. J. W. Altman and Mrs. C. L. Williams. Mrs. Leland Pearce, program chairman, presented the highlights of the programs planned for the year and also workshops for the Christmas decorations, with tentative plans for a sale of holiday arrangements and decorations.

Mrs. Ralph Kirk, former member of the club presented an interesting and informative program on "Growing Annuals" with a question and answer period.

Announcement was made of the lecture by Mrs. Ochiltree and the coming Fruit and Vegetable Growers Convention in Miami Beach. She plans to demonstrate fruit and vegetable arrangements at that time.

The next meeting will be held at the home of Mrs. Luther Jones, with the contest in line arrangement and horticulture, a potted plant, on Oct. 9.

Mrs. Woods Attends FHA Workshop Meet

Mrs. Guy Woods attended the Florida Heart Association staff organizational workshop meeting held at the George Washington hotel in Jacksonville the first part of this week.

Mrs. Wood, Glades representative, was accompanied by Mrs. Margaret Bost, executive director for Martin and Palm Beach counties.

To Our Many Friends:

Circumstances force us to move to Pompano Beach.

I have made arrangements whereby Dr. Richard C. Lane of Pahokee will have access to any and all of my records, upon request. He has graciously consented to continue whatever necessary optometric services my patients would require and would appreciate your contacting him for a continuation of the optometric services I have offered you.

We also extend to our many friends an invitation to visit when you are down this way. The address is 1913 Atlantic Blvd., Pompano Beach, Florida.

Production Getting Underway On Ford's New Falcon

Ford Division of Ford Motor Company released first official photographs of the Falcon today and said it expects to build 100,000 of the new economy cars by the end of 1959.

James O. Wright, company vice president and Ford Division general manager, said assembly of Falcons already is under way at the division's Lorain, O., assembly plant, and will start shortly at plants near Kansas City, Mo., and San Jose, Calif.

Falcon engines are being produced at Lima, O.

Mr. Wright said the keynote of the Falcon will be economy of operation and maintenance.

"For example," he said, "the Falcon will have gasoline economy 50 per cent better than the largest of the so-called 'compact' cars of American manufacture, and 35 per cent better than the smallest domestic car made by the same producer."

Company vice president said the Falcon has 35 per cent more luggage space, 70 per cent more windshield area, and a full foot more of rearview width.

Mr. Wright said that in the area of replacement parts a Falcon fender will cost 50 per cent less, a windshield 40 per cent less and a muffler 30 per cent less.

Mr. Wright said the Falcon will be introduced publicly October 8 at 7,000 Ford Divisions dealerships across the country.

"Based on the amount of public interest in the Falcon already being reported by our dealers," he said, "We are expecting our busiest introductory period in years."

Mr. Wright said the Falcon combines economy of operation with maximum strength and rigidity with minimum weight for this type of vehicle, will be offered in two-door and four-door models. Optional equipment will include automatic transmission, radio, heater, safety padding, seat belts, tinted glass, and interior and exterior deluxe trim.

The "dogleg" entrance to the front passenger compartment has been eliminated, greatly improving ease of exit and entrance. The luggage compartment has 24 cubic feet of space — nearly twice the space of the two top imported cars combined.

BG's Cigarette Tax For July Is \$4,858

Money available for distribution from cigarette taxes collected in July totals \$2,608,438.74 according to the state beverage department collecting the tax of this amount \$789,094.38 will go to general revenue fund. The remainder of \$1,819,344.16 will be distributed to incorporated municipalities.

Belle Glade will receive \$4,858.55; Pahokee \$1,929.80; South Bay, \$850.53; Clewiston \$2,834.32.

Fla. Highway Patrol Report Busy Year

The Florida Highway Patrol investigated over 14 thousand accidents in fiscal years in which the first seven months of this year, a 9 percent decrease over a comparable period in 1958.

The figure stood: Killed in highway wrecks first seven months of 1959, 307. Killed first seven months of last year 339, a 9 per cent decrease. The figures, include, however, only those death dealing accidents investigated by the patrol.

The total highway deaths for the month of July this year stood at 46, a 10 per cent increase over the 42 who died in highway crashes last year, although the rural area death score was down for the over-all seven month period.

In effort to reduce the death rate for the year, the patrol had

Dog Sells Papers In Belle Glade

By R. W. Lerner.

Mayor, Belle Glade, Fla.

Did you ever see a dog sell papers? Well, I have. His name is "Bobby," a crippled mongrel and he lives here in Belle Glade. Yes sir! It's different in this Lake Okechobee City and to have a dog for a news butch is a prize winner indeed. We have seen eye dogs, hunting dogs, guard dogs, track dogs, and many other useful dogs, but Belle Glade, Florida, is the only place who has a dog salesman. Bobby is his name and he sells "Palm Beach Times" papers daily and "Belle Glade Herald" weekly. This pooch has a glowing personality and sells his wares zealously. Each afternoon, about 2:30 all up and down Main Street and Avenue A, one will see and hear (the blind man) Will Spade and Bobby yelling and barking the very latest news. Will yells, while Bobby hobbles along barking. Everybody down town knows when the dog is barking Times and Belle Glade Herald is off the press, for Will and Bobby tell 'em about it.

Will uses a cane and if Bobby had one, he'd probably use it too for this interesting old pup is 15 years old. He misses a day occasionally and he will. Will the other day when Bobby wasn't working how come? Will told me that old age was creeping up on him and Bobby couldn't make it every day any more. Well, that's going to happen to all of us one day. We won't make it every day, as Father Time is catching up. I'm afraid that's what is happening to Bobby. Time is catching up with this faithful old, news dispenser. I'm hoping that Bobby and Will will be with us a long time and Will is trying to train another pup for the job, but he says that this new pooch won't talk yet, but he's hoping.

Insofar as I know, Belle Glade is the only city in the whole wide world that has a DOG SALESMAN and I hope that this land mark will be with our City for a long time. We'll miss this faithful pair when either of them are gone. If you want to see a dog sell papers, come to Belle Glade. I can hear Will now yelling "Get Your Palm Beach Times Paper" and

Service Column

Pvt. E. L. Harris, son of Mrs. Betty Harris, 101 S. W. Avenue West, Belle Glade, Fla., has been assigned to Company B, 19 Battalion, 5 Training Regiment at Fort Jackson, S. C., for eight weeks of basic combat training.

As part of his basic training he will be taught rifle marksmanship under the Army's new Training program and will learn to use an M-1 rifle by firing at pop-up targets on terrain which duplicates combat areas. He will also be taught drill, tactics, camouflage, military courtesy, first-aid and other basic subjects. He will learn how to throw a grenade, fire in pitch darkness, crawl under barbed wire with machine gun fire overhead, and defend himself in simulated chemical, biological and radiological warfare situations.

During his seventh week of training, he will march 13 miles with full field pack to a bivouac area to spend a week living in the field and learning to integrate the skills he has been taught.

A graduate of Belle Glade High School class of '58, Harris attended South Georgia Junior College last year. After his eight weeks of basic training he will get his two weeks leave before reporting to his new assignment.

On Thursdays "Get Your Belle Glade Herald," while Bobby, the pup howls a friendly, pleading, Y-E-P, Y-E-P.

Garden Club Hears Beta Xi Chapter Installs Sponsor

Mrs. Meredith On Plant Propagation

Mrs. Ruth Meredith of Pahokee, gave an interesting and instructive talk on plant propagation, and demonstrated the air-layering method at the Belle Glade Garden Club's first meeting after the summer recess.

The meeting was held Thursday in the Park Recreation Building with a sandwich luncheon.

Mrs. Frank Friend displayed and discussed many varieties of hibiscus blooms and points for judging them. Mrs. Ivan Van Horn described the desirable features in judging the arrangements.

The day's contest of specimens of single hibiscus were won: 1st, Mrs. Ivan Van Horn; 2nd, Mrs. F. E. Hollingsworth; 3rd, Mrs. Frank Friend. The buffet arrangement of foliage material winners were as follows: 1st, Mrs. Herbert Beck; 2nd, Mrs. Ivan Van Horn; 3rd, Mrs. F. E. Hollingsworth.

Vice president Mrs. J. P. Halbrook, Jr., presided over a half business meeting. It was voted to accept the year's program as planned by Mrs. Halbrook and her committee and to cooperate with other lake area clubs in its decorating.

For a luncheon, at the South Atlantic Regional Garden Club Convention at Boca Raton, Feb. 29 and March 1.

Mrs. Van Horn, Mrs. Irvin Zump and Mrs. C. W. McDonald were in charge of arrangements for the meeting and the luncheon, and Mrs. Halbrook and her committee and to cooperate with other lake area clubs in its decorating.

Others present were Mrs. A. Whidden, Mrs. Zeke O'Farrell, Mrs. E. Altmann, Mrs. Lonnie Warren, Mrs. C. J. Asper, Mrs. Richard Hodges, Mrs. R. E. Watson, Mrs. Pearl Rawls.

Teachers Welcomed (Continued from Page One) class and men and women who make the most of their lives have first found the secret of putting God first in their lives.

"We are receiving ourselves when we say we do not have time for worship," he said. "The law of life is this... that we lose that which we do not use."

Minutes of the last meeting, Sept. 11, were read by Secretary Mrs. E. J. Schoepel and approved. Treasurer Mrs. Robert Gressinger reported a \$150.44 balance, hand, with all bills paid to date.

Nine delegates were named to represent the PTA at the County Council meeting, Mrs. Frank Dooley, Mrs. Henry Blum, Pres. D. W. Fisher, Mrs. and Mrs. S. Roberts, Mrs. Richard Poston, Mrs. Robert Gressinger, Mrs. Doug Thompson and Mrs. Junius Harris.

Principal Pellon Morris reported the school has gotten off to a good start early this year, with 660 students this year; two new rooms have been added for the Junior-Senior High and three for Elementary.

Elementary enrollment, according to Principal Carl Crawford, shows an increase of 738 against 650 for the beginning of this year. For the first time Librarian for the Elementary grades has been added, this post being filled locally by Mr. G. W. McClure. The High School has added four new teachers and now offer the DCT and Guidance programs here, Mr. Morris announced.

Mrs. Ralph Kirk was responsible for the attractive Hibiscus arrangements in the cafeteria. The serving tables, centered with crystal punch bowls were circled with hibiscus as were the decorated sheet cakes.

Hostesses for the evening were Mrs. Jimmy Williams, chairman; Mrs. Frank Anderson, Mrs. Bill Thibault, Mrs. Clarence Kidder, Mrs. Larry Royal, Mrs. Hubert Tillery, Mrs. John Whitmore, Mrs. Wallace Latz.

Legion Committees (Continued from Page One) Army Surplus, Seminole Supply furnished piling for new pit and Lake Shore Appliances came up with a refrigerator, Coolaid Motors, Pepsi Cola, A. Duda & Sons and the Elks Club loaned aid and comfort along with material things such as tools for hauling, tables, paper plates.

The 3-J Pony Farm furnished ponies for the kids to ride; the Jr. League Lion and Rotary teams furnished a free baseball game.

More than 1,000 tickets were sold for the barbecue, — some barbecue, some crowd and some real good time.

The Legion is re-establishing itself as one of the area's most aggressive and effective community — conscious organizations.

of individuals, groups and the community, until John L's absence has become adjusted. Menages of associates and workers, white and black — and immigrant — as described by them, is a tribute to the "man" in John L. Evans.

His wife, Jane, his son, John Brown, his two sisters, Mrs. R. S. McDonald and Mrs. Bert Miller of Ashburn, are his survivors.

The body lay in state at the Community Methodist Church in Belle Glade, Tuesday afternoon and night, 10 p. m., and there was a continuous stream from all Southeast Florida, by respect to this man, taken in the prime of life for a purpose not yet revealed.

Funeral services were held at 10 o'clock, Wednesday morning in the Community Church, which was filled to capacity, by a cross section of South Florida, a mixture of faiths, colors and economic strata.

Interment was at Hillcrest Cemetery with Yates Funeral Home of Okeechobee in charge. Burial was in a list of pallbearers.

Active: Robert Creech, Jr., Sidney K. Smith, Jr., Dr. Steve Johnston, William Prather, Barnes G. Smith, William W. Weeks.

Best green celery for shipping!

Here are celery varieties specially developed and tested for shipping from Florida—outstanding for color, compactness, shape, and keeping qualities!

Tall Utah No. 52-70 is a Ferry-Morse development that is very compact and tightly shingled with high rib count. Thick, smooth ribs are medium dark green. Highly resistant to Brown Check.

Compak 1 is similar in type to Tall Utah 52-70, but has deeper color, holds better, and does not blanch as fast. It is recommended for early harvest in cool weather. Plant slightly earlier than Compak 2 for harvest in warmer weather. Resistant to Brown Check and to boron deficiency.

Emerald is a new, early, blight resistant variety that is intermediate in type between Summer Pascal and Utah. It is especially suited for maturity during warm weather.

Give Me the Moon

Wishing for the moon, and getting it, too, may not be so far away as you think. Already, transistors invented by telephone scientists beep vital information from satellites orbiting in space. Today, millions enjoy the convenience of Direct Distance Dialing, phones that answer and record while you're out, and other telephone conveniences once undreamed of.

Tomorrow the moon? Well, you can dream. Research sees even greater telephone wonders ahead.

COMING: TRUCKS THAT DO THE NEXT BEST THING TO PAVING EVERY ROAD IN AMERICA!

Imagine a truck ride so smooth and cushioned that fragile loads can travel the worst "wash-board" roads with ease. Imagine a truck ride that virtually eliminates shimmy and wheel fight, cuts side sway on curves, makes steering far steadier and easier, keeps drivers far fresher. Imagine a truck ride that permits higher safe cruising speeds, more trips per day with all kinds of cargo over every type of road surface. Imagine a ride that keeps up to 78% of all objectionable road shock and vibration from ever reaching the driver and cargo, a design that sharply reduces twisting and fatigue forces on chassis, cabs and bodies, that keeps trucks young for extra thousands of miles. / Soon you won't have to just imagine such a ride. You can try it for yourself in the trucks that do the next best thing to paving every road in America—new Chevrolet trucks for 1960. You'll see what happens when Chevy's truck engineers design a whole new line of trucks around a whole new kind of torsion-spring suspension. These trucks are new from the ride on up—with wonderfully roomier cabs, brawnier frames, style that's fresh as sixty and more! Don't decide on any new truck till you see the newest of all.

See them soon at your local authorized Chevrolet dealer's.
